Q: Can a non-citizen of the United States without a social security number complete the background screening requirement?

A: Yes, individuals with or without a social security number can submit their background check screening using the same submission instructions. However, the processing time may be longer, and the processing fees may differ from a domestic screen due to the need to conduct an international search.

Q: My background screening certification has expired. What do I do?

A: The process to re-certify your background screening is the same as when you originally applied. USA Hockey recommends that you begin the re-screening 4-6 weeks prior to your background screening expiration date.

Costs and Payment

Q: What is the cost of the domestic criminal background screening?

A: The cost of the background screening is \$30.00 flat rate fee. Payment is made on NCSI's website at the end of the background screening process by the registrant if the USA Hockey Affiliate is not covering the cost. MasterCard and Visa are accepted.

Q: I received an error when processing my credit card payment with NCSI. Why did this happen and what do I need to do?

A: NCSI is fully compliant with all online transaction regulations and has the highest level of fraud protection available. Transactions are processed using PayPal services. This protection requires certain data to match in order for the transaction to process correctly. Please verify the billing address for the card and be sure to have all of the information correct before attempting to process again. If you submit your payment information without a correct match, the transaction will attempt to go through and fail. Sometimes you may see multiple line items on your bank account. However, you will not be double-billed for NCSI's services.

Q: Is an international search required?

A: An international search is required for U.S. citizens who have lived outside of the United States for six consecutive months in any one country, during the past seven years. If you have lived in both the U.S. and another country for six consecutive months or more in the past seven years, you would require both the domestic and international screens. Please make sure you have ncsisafe.com as an approved domain on your email, as you will receive emails with additional paperwork based on the country or countries that need to be screened.

Q: What is the cost for an international search?

A: The cost for an international search is \$75 for Canada, and \$150 for any other country.

Status and Results

Q: How do I obtain a status update, copy of, or receipt for my criminal background check screening?

A: Please reach out to NCSI's Support Team at support@ncsisafe.com or 866-996-7412

Q: Will I be notified when my background screening is complete?

A: No, NCSI will transfer the results directly to USA Hockey so that the participation determination can be made and USA Hockey may make you eligible for rostering.

Q: Why is my background screening taking longer than another registrant that submitted a background screen at the same time?

A: NCSI performs one or more county court searches and federal district court searches as part of the background screening. These involve getting information directly from the courts in question. Some courts may return information to NCSI the same day, while others can take longer. Once NCSI has information back from the courts, it is processed right away. Other delays may result when NCSI requests additional information from you.

Q: How will I be notified if NCSI needs additional information or payment from me?

A: NCSI will send a notice to you via email with relevant instructions if we need to search internationally. This notice will come to you in the days following your initial application if your group or affiliate is not paying for your background screen. It is very important that you check your email and respond promptly to this request, since your background screening will be on hold until you respond.

Q: What information is provided to USA Hockey from my criminal background screening?

A: USA Hockey can be made aware of the content provided on a background screening report. Limited staff members of USA Hockey designated by the safe sport department may have access to the screening report.

Q. What is a Clear/Green Light result?

A: A "Clear/Green Light" indicates criminal record information relating to USA Hockey's criteria was not sourced or reportable in the process and therefore a "Clear/Green Light" report was issued to USA Hockey.

Q.: What is a Flagged/Red Light result?

A: A "Flagged/Red Light" indicates that criminal record information relating to USA Hockey's screening criteria was sourced in the process and therefore a "Flagged/Red Light" report was issued to USA Hockey for review.

Q: Will I know if my background screening report is Flagged/Red Light?

A: Yes. If NCSI sources criminal history information relating to USA Hockey's screening criteria, you will be notified and provided information for your review. Pursuant to the Fair Credit Reporting Act, you will be provided an opportunity to alert NCSI of any questions or potential errors on your report. Email will be our primary way of communicating with you, so be sure to provide an accurate email address and check it regularly until your screen is complete. Please be sure to respond immediately if NCSI contacts you for additional information.

Q: Can I appeal participation decisions made by USA Hockey?

A: USA Hockey will use the report provided by NCSI to determine an individual's eligibility for participation with USA Hockey in accordance with the USA Hockey established policies. Registrants have the right to appeal to a USA Hockey's Review Panel, pursuant to the procedures outlined in USA Hockey's Criminal Background Screening Policy.

Q: When does the criminal background screening expire?

A: A screen completed in the first quarter of the year is valid until 8/31 of the following year. If it is completed during the second through fourth quarters, then it is valid until 8/31 plus two years.

Q: May I receive a copy of my background screening report?

A: Yes, NCSI is happy to provide you with a copy of your background screening report and will require you to authenticate yourself before sending you a copy of your screening from their secure server (automation@instascreen.net).

***PLEASE NOTE: ONLY USA HOCKEY ADMINISTRATORS AT THE NATIONAL OFFICE AND AFFILIATE LEVEL HAVE AUTHORIZATION TO VIEW YOUR BACKGROUND SCREENINGS. USA HOCKEY WILL MAKE YOU AVAILABLE FOR ROSTERING AFTER ADMINISTERING THE PARTICIPATION DETERMINATION. IF SOMEONE ON THE LOCAL LEVEL IS HAVING TROUBLE VALIDATING YOUR BACKGROUND SCREENING, THEY NEED TO REACH OUT TO YOUR TEAM REGISTRAR. NCSI BACKGROUND SCREENING REPORTS DO NOT INCLUDE THE PARTICIPATION DETERMINATION MADE BY USA HOCKEY AND THEREFORE CANNOT BE USED AS PROOF OF ELIGIBILITY.**

Notice Regarding Midterm Recheck: One of the features provided by our background check program is an annual recheck. For the period that your background check authorization is valid, this recheck will automatically occur on or about the anniversary date of your background check submission date. This recheck keeps our program current and up to date without the need for you to re-register with NCSI every year. If you choose to leave USA Hockey during this period and you want to stop the recheck, you must notify USA Hockey's Member Services Department in writing that you have resigned your membership with USA Hockey. We will discontinue the annual recheck within 30 days following receipt of your notice of resignation. It is possible, depending on your scheduled annual recheck and your date of resignation, that the recheck may occur following your notice of resignation.
